

Cedar Cliff Youth Baseball 2019

“Angel” Sponsors Program

Each year CCYBA reaches out to area businesses asking for their support for our youth baseball program. Businesses are able to sponsor teams and other promotional items to advertise their business and support youth sports. Their contributions provide the funds necessary to maintain our fields, purchase equipment, stock our concession stands, and make improvements in our facilities.

Each year costs to the league increase all these areas. To allow us to and keep our registration fees reasonable for all families, we’re reaching out to the community for support as well as local businesses.

This year the league will be offering opportunities for individuals to contribute to our organization by offering them several special donation options we’re calling “Angel” Sponsors.

Many people are fans of the game of baseball and youth sports and would be willing to become a CCYBA “Angel” Sponsor. We’re asking our CCYBA families to talk to their neighbors, friends, and family to spread the word about this program.

They can consider purchasing a sponsorship as a gift, in memory of someone special, or simply to contribute in a larger way to the program. All “Angel” sponsors will have their name and sponsorship appear in our season program unless they choose to remain anonymous.
